

While You Wait...

- Ensure your camera is on and your microphone is muted
- Open your Slack & add a profile photo
- Share with us 'How was your weekend?' in the Zoom Chat

Welcome to the Coding Bootcamp

Session Objectives

- Get to know your classmates as a community for collaborative learning
- Get to know the instructional team who will be providing holistic support throughout the program
- Understand the minimum requirements in order to successfully complete this boot camp
- Know where to turn to get help and support at your moments of need
- Q & A section at the end of the presentation

Virtual Class Best Practices

Zoom Basics

Most user controls located at bottom of your screen:

 Unmute	 Stop Video	 Security	 Participants	 Chat	 Share Screen	 Polling	 Record	 Reactions	 More
↑	↑		↑		↑			↑	
Mute yourself unless you're speaking.	Video on during class. Add virtual backgrounds here.		Click "Participants" button to open menu to raise and lower hand.		Share your screen with others here.			Clap, thumbs up, etc. here.	

Best Practice 1: Always Mute

Please keep your microphone muted, unless you are called on or your host asks for feedback/communication.

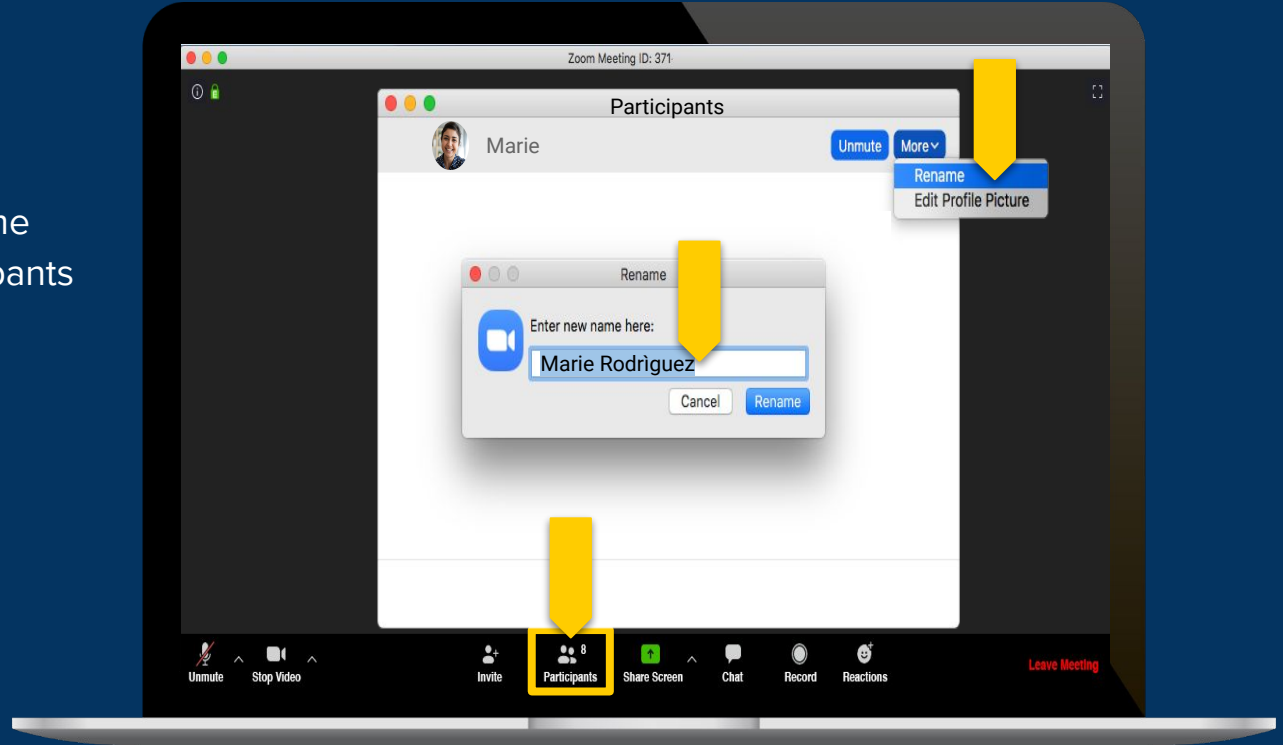

Best Practice 2: Turn Your Video On

Kindly turn your video on
so we can see you.

Best Practice 3: Update Your Name

Please update your name under the Zoom Participants tab to your full name.

About the Boot Camp

Life in Boot Camp

Live Support

Structured classes, office hours, and study groups provide **additional support** throughout the week.

1:1 tutoring is available for additional support.

AskBCS provides support from Live Learning Assistants 7 days a week.

Weekly Homework

Each week, you will submit an **individual** homework assignment around the subject matter taught.

During the course, you will have **3 group projects** that integrate skills from the previous weeks, building a valuable work product to share with potential employers.

Standard Weekly Calendar: M/W/T Live Classes

1	2	3	4	5	6	7
Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
 Virtual Class	Challenge Focus	 Virtual Class	 Virtual Class	Practice and review	Challenge Focus	Challenge Focus

Academic support

Learning Assistants

Office Hours (5:45 PM—6:30 PM)  Instructor-led virtual class (6:30 PM—9:30 PM) TA led office hours (9:30 PM—10 PM) Challenge due at 11:59 PM today		Office Hours (5:45 PM—6:30 PM)  Instructor-led virtual class (6:30 PM—9:30 PM) TA led office hours (9:30 PM—10 PM)	Office Hours (5:45 PM—6:30 PM)  Instructor-led virtual class (6:30 PM—9:30 PM) TA led office hours (9:30 PM—10 PM)			NOTE: ALL times are in CST

Holiday Schedule Adjustments / Important Dates

- **Bootcamp Drop Deadline: March 06th, 2023**
- **Benito Juarez Day /March 20th/ Monday:** No instruction this day
- **Holy week/ April 3rd to 7th/** No instruction these days
- **Labor Day/ May 1st/ Monday/** No instruction this day
- **Course End Date August 22, 2023**

Please keep in mind that we only follow Mexican Holidays.

NOTE: These adjustments are reflected in your BootCampSpot calendar.

Course Requirements

Graduation Requirements

- Miss no more than **4 Virtual Classes**
- **Must actively participate** and present in every group project
- Miss no more than **2 assignments**
- **Fulfill** tuition requirements

Attendance

- Attending class is vitally important to your success.
- Our data shows that the graduation rates of learners who are absent in the first week are significantly lower than students who have no absences during that time.
- This is a bootcamp and it will be fast paced, every class will include lecturing by the instructor, activities to practice this knowledge and office hours before and after class for support.

*NOTE: Drop deadline is next **Monday March 6th**. To drop or request a transfer - email cvillarreal@bootcampspot.com*

Classroom Values

We Never Stop Improving

We lend an ear to both praise and feedback to deliver our best work.
This process is a journey and not a destination.

We Bring a Can-Do Attitude

We confront challenges with enthusiasm and figure things out. We value effort, commitment, learning, and a growth mindset.

We Only Succeed Together

Teamwork is critical to our success, and we place a tremendous value on how we work together across the entire cohort.

We Respect the Rights, Differences, and Dignity of Others

We want to create a learning space where people can bring their full selves. In order to do this we must all respect the diversity of our experiences and how it contributes to our learning.

What We Expect From You

- Be on time
- Be respectful
- Be honest
- Submit assignments and projects on time
- Respond to the weekly survey
- Stay focused and pay attention (class pace is VERY FAST)
- Spend AT LEAST 25 hours per week practicing outside of class
- Ask for help when you need it (attend office hours, reach out to instructor or peers, request a tutor, schedule a meeting with your SSM, live chat through BootCampSpot, form study group(s), etc.)

*You are responsible
for your success, but
you're not alone!*

Boot Camp Code of Conduct

- Adhere to Tec de Monterrey student code of conduct.
 - <https://sitios.itesm.mx/va/reglamentos/profesional/Reglamento%20Academico%20Prof.pdf>
- Bullying or discrimination of any kind are not acceptable classroom behavior. That may include inappropriate remarks relating to anyone's ethnicity, religious background, sexual orientation, gender identity. It can also include making fun of, teasing, or harassing other members about their ideas, questions, or concerns.
- Conversations relating to any illegal activity, including illegal drugs or drug paraphernalia, are strictly prohibited.
- Sexual harassment, which includes remarks that can be perceived as provocative or sexual in nature, which includes comments towards individuals or one gender entirely.
- Class forums and platforms are intended for class-relevant content **only**.

System Check

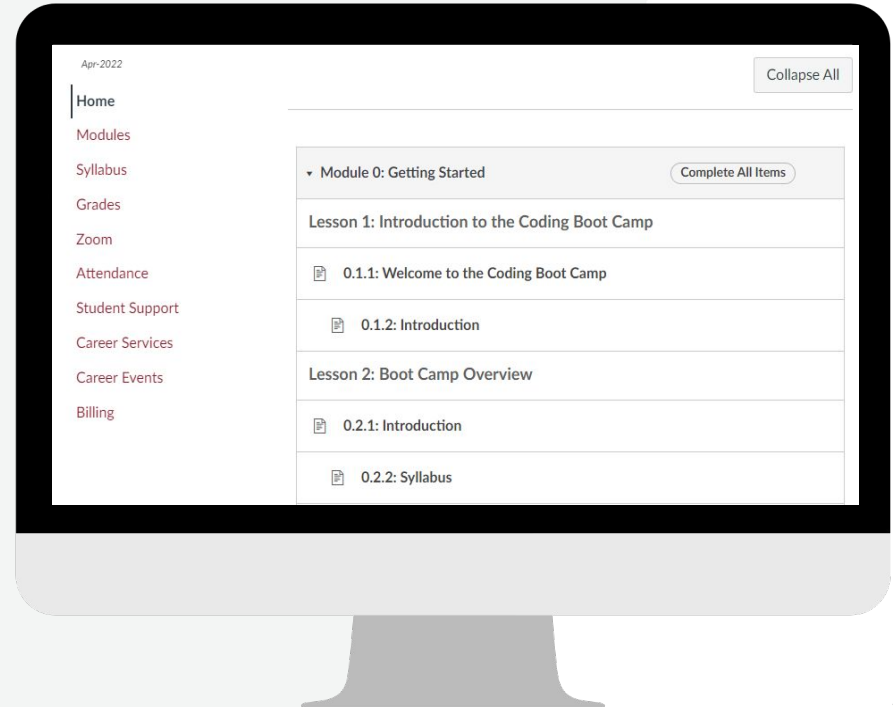

What Will I Use Canvas (BootCampSpot) for?

- View course content and in-class activities
- Submit Homework Assignments as files, text or GitHub links
- Connect and participate in your Virtual Classes with Zoom
- View your grades
- Find information on and connect with Career Services

My Course in Canvas (BootCampSpot)

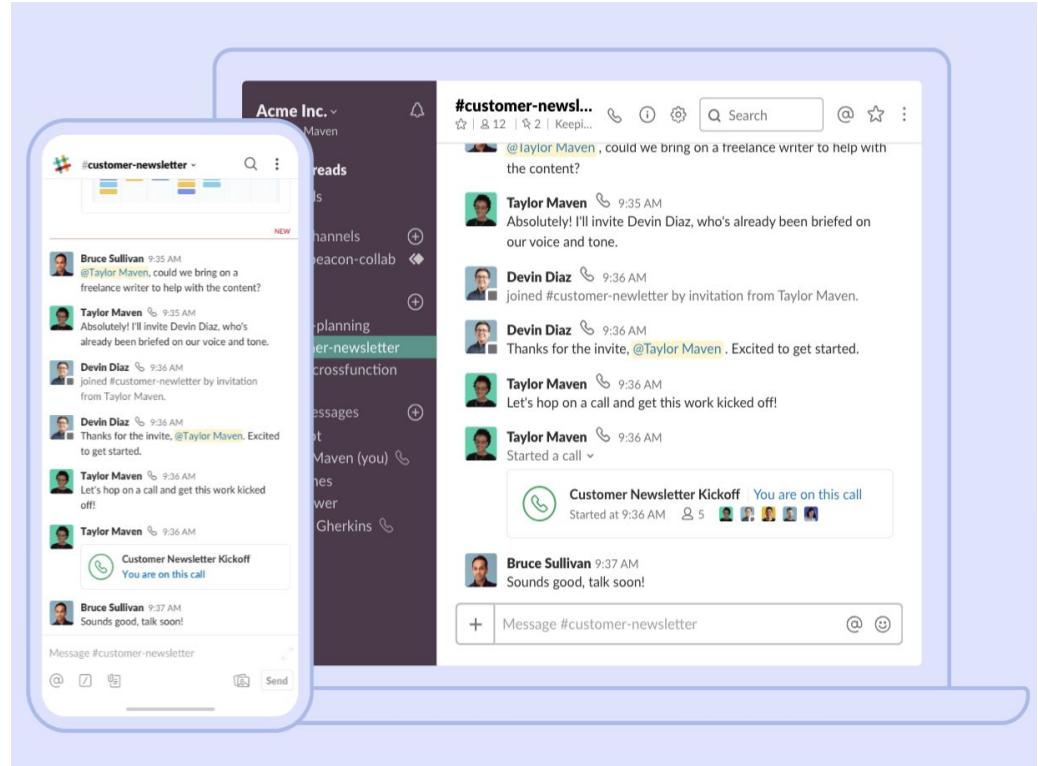

- <https://courses.bootcampspot.com>
- From this page, you can access your online modules.
- On the left menu bar, you'll also have options to view assignments, grades, and access Zoom links for classes and office hours.

Your BootCampSpot homepage will look like:

Collaboration on Slack

- Slack is the shared virtual workspace where your class will interact during and outside of class hours.
- This class requires a lot of collaboration, so being able to share messages and files quickly is crucial for our success!
- After creating an account, be sure to download the desktop version for easier access and navigation.

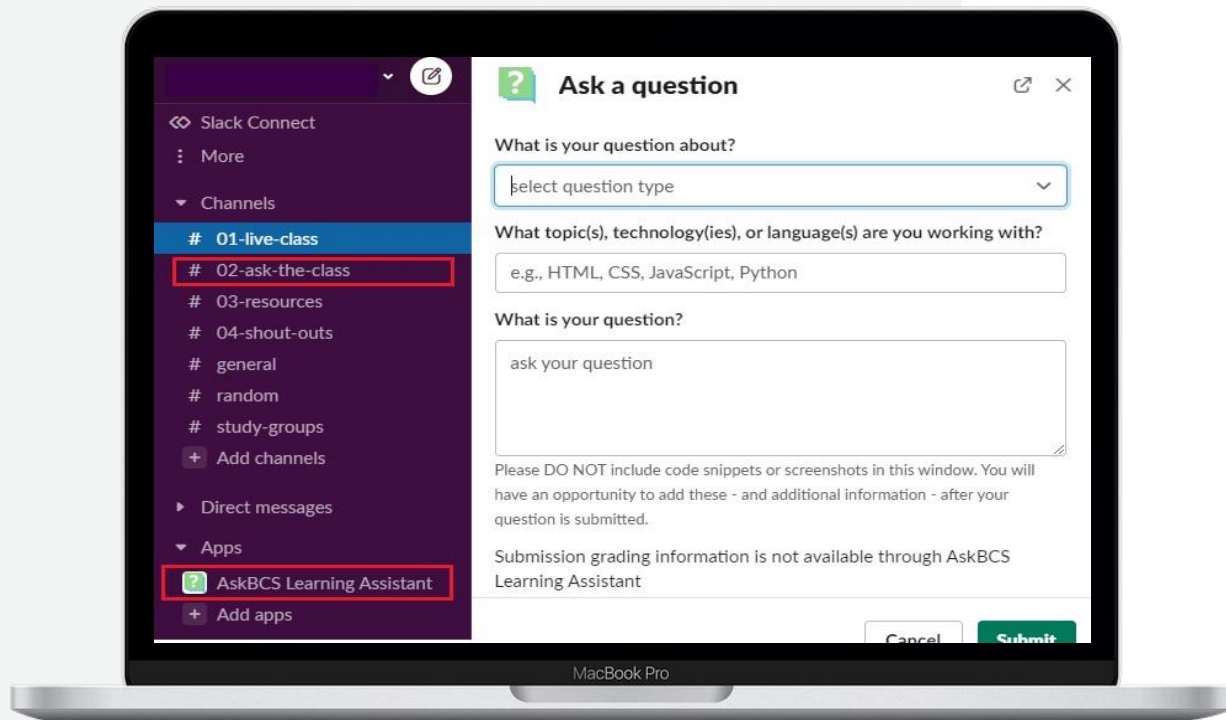

AskBCS Learning Assistant App on Slack

Our team of Learning Assistants work to help you get unstuck on self-paced lessons.

Available:

24/7

Git & GitHub/GitLab

- <https://github.com>
- Create your own portfolio
- Store your homework here and submit a link to BootCampSpot
- Use it beyond the boot camp

- <https://tec.bootcampcontent.com>
- Access course materials
- View student policies
- Access for one year after boot camp

NOTE: Git, GitHub, and GitLab are common sticking points for new students. The first few TA Office Hours sessions will focus on setting these up properly.

Activity: Pulse Check

You should have access to the following systems. Follow the steps below to check, and type “ready” in the Group Chat if you’re good!

BootCampSpot

Navigate to
courses.bootcampspot.com/
and you should see the full
course

If you cannot sign in or do not
see your your full course,
email
support@bootcampspot.com

Slack

For access link, check email
“ Your bootcamp is about to
start! ”

If you do not have access to
slack please send a message
in the zoom chat & we can
send the link.

GitLab

Click on the Repository link
sent to you via email.

Please check your email and
look for an email “Account
was created for you?” and
follow the instructions

Resources

Tips for Success

- Use a calendar (digital or physical) to plan out your weeks
- Take advantage of Office Hours + Private Tutoring
- Form study groups
- Ask questions
- Stay engaged and reduce distractions
- Arrive on time or early for office hours
- Engage on Slack throughout class
- Set up a second monitor (this is optional)
- Please do not install updates during this class. Installs for class MUST be completed outside of class time
- Read instructions and use your glossary/cheat sheets

Central Grading

- Challenge Assignments are graded by the Central Grading team
 - Typically, assignments are graded before the due date of the next challenge assignment
 - If you have any questions about your homework assignment, contact and request support from your instructional team
 - Instructors and TAs can provide more in depth feedback if needed
 - Students may resubmit challenge assignments for a re-grade
 - Contact your SSM if you're still waiting for an assignment to be graded
- Projects are graded by your TA
 - Grading may require additional time depending on class size

Central Tutoring.

How do I sign up for tutoring?

Request through BootCampSpot
in the Student Support tab

How does tutoring work?

- 1 session per week
- 1 on 1 meeting with the tutor
- Scheduled at your convenience

The background is a solid dark blue with a diagonal split. A lighter blue triangular section is on the left side, pointing towards the top-left corner.

Career Services: Becoming Employer-Competitive

Employer-Ready

Develop an industry-backed resume to get started.

Become *employer-ready* to get hired!

- You'll need at least an industry-backed resume to get started with a career coach and enter the job market.
- You'll need an industry-backed resume along with your program's required assets (portfolio, LinkedIn, or GitHub) to **become employer-ready** and get hired. We've heard from our network of industry partners that they look for those materials from competitive candidates.

Key Material Submissions

- Intro & Career Goals
- Getting Started: Resume or CV
- Personal Brand & LinkedIn
- Online Presence
- Job Search & Networking
- Get Hired

Career Services Benefits

Resources for Career Advancement. Career material libraries, with templates and tools tailored to your industry and level of experience, will help you prepare for career readiness.

Workshops and Engagement Events with 2U experts and industry professionals. Access to almost daily online events focused on interview prep, networking, and more to help you become competitive in the job market.

Direct line to job opportunities. Through our job board, you can apply to and get referred to a wide range of jobs at 2U's hiring partners. You also get access to quarterly career fairs and over 50 company recruitment webinars per year.

Boot Camp Drop Deadline

If you find that you are not able to meet these requirements, or that this boot camp is not right for you, email cvillarreal@bootcampspot.com and copyjriviera@bootcampspot.com by March 6th 2023 end of day.

Any Questions?

BREAK

Have questions about what was discussed today? Reach out to SSM Claudia at cvillarreal@bootcampspot.com or over slack Claudia Villarreal

Communicating with Your Cohort

- Throughout the course, some of your projects and tools may require contact information for collaboration (eg., email, phone number)
- If you do not feel comfortable sharing this information, consider creating a new email address or alternatives like Google Voice: <https://voice.google.com/>

Submitting Milestones to Career Services

Milestone: Develop Your Resume

To meet this milestone, please complete the following: 1) Review details on what makes a competitive resume along with templates here: <https://mycshub.co/Data-Resume> 2) Develop your resume, and submit it as a Google Doc link with 'Anyone Can Edit' access. (Watch this short video on how to set edit permissions in your Google Doc: <http://bit.ly/2LgLAww>)

Description

For this submission, you will develop a competitive resume, and submit it to a Career Material Advisor for feedback.
